

## PLC 1756-OF4/A 5570 ANALOG OUTPUT MODULE

Our Product Introduction

### Basic Information

- Place of Origin: USA
- Brand Name: PLC
- Certification: CO
- Model Number: 1756-OF4/A
- Minimum Order Quantity: 1PC
- Packaging Details: BRAND NEW WITH FACTORY PACKAGE
- Delivery Time: 2-3 days
- Payment Terms: T/T
- Supply Ability: 100pcs per week

### Product Specification

- PART NO.: 1756-OF4/A
- Weight: 0.5KG
- Actual PRICE: Negotiable
- Condition: New Original With Sealed
- Application: Oil And Gas Factory
- Color: Normal

## Product Description

### Description

PLC 1756-OF4/A 5570 ANALOG OUTPUT MODULE

### Product details

|                     |                              |
|---------------------|------------------------------|
| Model               | 1756-OF4/A                   |
| Brand               | PLC                          |
| Description         | ControlLogix 5570 Controller |
| Datasheet/Catalogue | PDF File                     |
| Weight              | 0.5KG                        |
| Condition           | Normal                       |

### Product Description

Allows you to program using relay ladder diagram logic, structured text, function blocks, and sequential function diagram languages.

Coating is provided on products whose catalog number contains "K" to help provide protection in harsh environments.

Includes a 1756 slim power option for Series B and C standards and 1756 XT racks, reducing the width by 29% when space is limited.

Standard, coating, and extreme environment rack versions with up to 17 slots are available.

### Application

- 1.Power industry, the elevator industry, parking, automobile, auto ancillary.
- 2.feed industry, aluminum smelting machines, refrigeration industry.
- 3.steel industry, combustion control systems, non-ferrous metal smelting.
- 4.glass industry, construction machinery, textile machinery, water treatment

### Mainly Products

|                 |                              |
|-----------------|------------------------------|
| PLC module      | Redundancy Module            |
| DCS module      | Analog input module          |
| CPU module      | Analog output module         |
| IO module       | Digital input module         |
| DO module       | Digital output module        |
| AI module       | Relay Output Module          |
| DI module       | Relay Input Module           |
| Power Module    | Motion control module        |
| Ethernet module | Network communication module |

### Best Services Assurance

- 1.High quality

- 2.Fast Delivery
- 3.We provide a large number of brand new in stock.
- 5.There are many products in stock.
6. We only provide the original new items, 100% make sure the best quality!

## 1 Year Warranty
